

## SHEFFIELD PLACE MISSION

“To empower homeless mothers and their children to heal from their trauma and become self-sufficient.”

## ABOUT SHEFFIELD PLACE

Sheffield Place is a treatment and supportive housing program for homeless mothers and their children. The program takes families from homelessness to self-sufficiency through intensive mental health and addiction recovery, case management, employment and life skills services. The children also receive case management and therapy.

Once families stabilize and transition to housing in the community, they continue to receive ongoing case management and other supportive services. Sheffield Place also owns and operates 10 units of permanent housing in the neighborhood for families.

## SHEFFIELD PLACE PACKAGE

All golfers will receive two mulligans, automatic advancement on the Big Drive hole, all hole games on course, and beverages at no added cost.
